

TITLE 3: HUMAN RESOURCES
DIVISION 2: HEALTH

§ 2134. Verification and Documentation of Correction.

(a) At the next inspection after a Health Inspector advised an establishment or person to make a correction of a violation of a critical control point or deviation, the Health Inspector shall enter the specifics about the previous violation and information about the corrective action on the inspection report.

(b) After receiving notification that the permit holder has corrected a violation of a critical control point, or at the end of the specified period of time for correction, the Health Inspector shall verify correction of the violation through inspection, document the information on an inspection report, and enter the report in Bureau of Environmental Health records.
