

§ 2214. Limited Practice for Physicians Licensed to Practice in a Foreign Country.

(a) Notwithstanding any other provision of this chapter, a physician licensed to practice in a foreign country may be granted a license to practice subject to the requirements and conditions provided in regulations of the Board.

(b) The Board shall provide by regulation for the practice of a regulated physician in the Commonwealth by a professional licensed to practice in a foreign country with acceptable education, training, examination results and experience comparable to that of a person who is otherwise qualified for licensure under this chapter. Such regulations shall address with specificity:

- (1) Professional degree requirements;
- (2) Postgraduate training and continuing medical education requirements;
- (3) Required examinations and certifications;
- (4) Requirements for active and valid licenses;
- (5) Disciplinary history;
- (6) Required professional relationship with a Commonwealth-licensed physician;
- (7) Scope of limited practice in the Commonwealth;
- (8) Limitations on the ability to prescribe controlled substances;
- (9) Insurance and/or other financial requirements;
- (10) Requirements for character and personal conduct;
- (11) Language requirements specific to the practice and population served; and
- (12) Such other requirements the Board considers necessary, appropriate or useful for the effective implementation of this chapter and/or necessary for the protection of those who utilize the professional medical services of those granted a limited license pursuant to this section.
