

**TITLE 9: VEHICLE CODE**  
**DIVISION 3: INSPECTION OF VEHICLES**

**§ 3101. Safety Inspections: Privately-Owned Motor Vehicles.**

Except as otherwise provided by this division, all privately-owned motor vehicles shall be safety inspected at a certified safety inspection station within 30 days prior to registration or a registration renewal. As provided for in this title, a registration may be suspended due to noncompliance with safety procedures and requirements.
